8 / 10

One of the most expected movies ever. Actor Vijay and Sethupathi sharing a screen is a dream for everyone. This movie made it true also made it better. The overall story and the characterization was done perfectly. On a personal thought the climax could have been better.

Avengers: Endgame

Selecting a movie brings you to this page, where you can write your own review and read reviews from other users

After the devastating events of Avengers: Infinity War (2018), the universe is in ruins due to the efforts of the Mad Titan, Thanos. With the help of remaining allies, the Avengers must assemble once more in order to undo Thanos's actions and undo the chaos to the universe, no matter what consequences may be in store, and no matter who they face...
